5	ENG.12.2.W3 Modele dayalı yazma	***Örnek cevap:*** *Dear Ms Aydın, I am writing to suggest a weekly well-being hour for senior students. As you know, many of us feel stressed because of the university entrance exam, and the survey we carried out shows that most students sleep less than seven hours. During this hour, students could take part in activities such as yoga, sports or talks with the school counsellor. This would help us manage stress and come back to our lessons with more energy. The activities could be organised by volunteer teachers and students, so the school would not need extra money. I would be grateful if you could consider this suggestion. I look forward to hearing from you. Yours sincerely, Arda Yılmaz, 12-A* **Puanlama:** İçerik (10): sorun, öneri, nasıl uygulanacağı ve faydası.
